

To Our Valued Business and Industry Friends,

It is with great sadness and a heavy heart that I write to you today. Our dear father, grandfather and friend, Henry Nagy, passed away on January 13, 2009, at the age of 100.

Henry's pioneering contribution to the concrete products industry is legend. He was an innovator and entrepreneur, making friends and influencing lives on many levels around the world. His humor and warmth were appreciated by people everywhere, and his knowledge and common sense were well respected. Perhaps his greatest roles were those of beloved husband, caring father, adoring grandfather and esteemed friend.

Henry's presence in this world will be sadly missed; but never forgotten.

A private service will be held at Becker Ritter Funeral Home in Brookfield, WI. In lieu of flowers, the family suggests a donation to Lutheran Social Services, Robert H. Nagy Family Foundation or the charity of your choice in Henry's memory.

Sincerely,

The family of Henry Nagy
